

# Site access just got easier with the SCT

When going to site, bring your **SCT app** or **physical card** and be ready to show on arrival or when requested.

**SCAN.**

Your **QR code will be scanned** to verify your credentials.

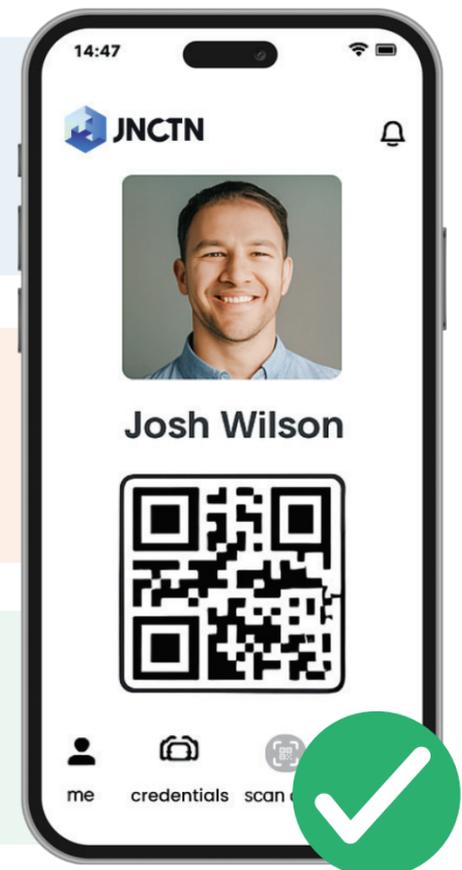

**CHECKED.**

Credentials are then checked against the site **specific requirements.**

**VERIFIED.**

A green result means you're **good to go.**

Get on site faster with instant verification and pre-arrival checks, ensuring your safety and compliance.

**Scan the QR code to download the SCT app today.**

The StayLive Competency Tool (SCT), powered by JNCTN, has replaced the Green Book as the industry standard for verifying training and identity. Just show your digital SCT credentials.

The SCT is delivered through the JNCTN app, simply search 'JNCTN' on your phone after downloading.
